To All Dart Players:

The NNY DART TOURNAMENT 2020 has been canceled due to what is happening in regards to COVID-19. Please know that this decision was not made lightly as there is a lot of work that goes into putting on a tournament. We feel that this was in the best interest of our players and our families.

The state is trying to limit the contagion by reducing “density,” or events where a large number of people gather in a close environment. As of yesterday there are currently at least 328 confirmed cases in New York, 112 of which are new.

For those that have Pre-registered for the tournament, please contact us or stop by the office and you will receive a full refund. Please bring your preregistration receipt with you as well.

Sincerely,

Jeff Prescott
